Guys -

Rich says that you can read the completed plan when you get in Monday. Please plan to meet Rupert, Kelley and Gary at the Command Post at 0700 on Monday (63 Pennfield Rd, Montrose) to get the full download before starting your Dimock tour of duty.

Directions from Tunkhannock - take 29 north to the second blinking light (this will take you around about 20 minutes) - take a left, take your first left on to Pennfield Rd and you will see an office type building on the left across from Pennfield feed.

You can also follow Kelley, Rupert or Fetzer from the hotel - thanks!
